**Drawing Winners:**

- GRC members must activate their entries on the drawing day between 5:00 p.m. and 6:50 p.m.
- GRC members may activate their entries during the activation time window by:
  - Inserting their player's card successfully into any electronic gaming machine; or
  - Asking GRC to activate.
- Entries earned after initial activation will accumulate in the Casino Management System automatically.
- GRC members must be present to win.
- Drawing winners will be announced at each casino via the PA system and will have three minutes to report to the Gold Rush Club or notify a member of the casino staff that they are present.
- Entries will be drawn until five winners are verified weekly, for a total of 25 winners per promotion.

- GRC members are eligible to win once per drawing day.
- Entries will be selected by the Casino Management System.

### **Spinning The Wheel for Cash Prizes:**

- The GRC drawing winners will spin the wheel immediately after all five winners are verified, in the order drawn, and at the casino where verified.
- A qualifying spin of the wheel requires a minimum of one complete revolution. If a winner is not capable of completing a qualifying spin of the wheel, they may select a designated non-employee, GRC member to complete the spin for them.
- Denominations on the wheel will be covered by a question mark spot until the winner spins the wheel. Once the spin is complete and verified, the question mark will be removed by a GRC associate, and the dollar amount of the prize will be revealed to the winner.
- Each of the 24 slot prizes designated on the wheel may be won once per drawing day at each casino.
- Once all winners have spun the wheel and their prize has been revealed and confirmed, the remaining question mark spots will be removed from the wheel, revealing all denomination spots on the entire wheel for that week.

### **Limits & Restrictions:**

- Odds of winning the drawings depend upon the number of entries in the Casino Management System and the number of guests present and eligible at the time of the drawing.
- In the case of a power outage, software malfunction, system error, hardware complication, or any other technical difficulty that causes an electronic drawing to be delayed, postponed, or cancelled, management reserves the right to reschedule a drawing to a future date and/or time.
- Any gaming activity or entries associated with a failed drawing will be applied to the rescheduled drawing and only forfeited in the case of a complete system failure when gaming activity is deemed irretrievable.
- Refer to Standard Terms & Conditions as posted at the Gold Rush Club.
