Request and Authorization

Please provide me with a statement of my gaming activity for the year(s): _____

The following document(s): (please circle): **W2G** **1099** **Win/Loss Statement**

This serves as my written request and authorization to release the above-requested documents. By signing below, the patron hereby releases Bucky's & Yavapai Casinos, its officers, directors, employees and agents from, and against any loss, cost, expense (including attorney's fees and costs), damages, liability or claims of any kind. Additionally, patron hereby agrees to indemnify Bucky's & Yavapai Casinos for, from and against any loss, cost, expense (including attorney's fees and costs), damages, liability or claims of any kind related to releasing this information. The undersigned acknowledges that the information being provided is based on player tracking information which includes only the play when the undersigned's player's card was connected to the system and may not accurately reflect the amount of the undersigned's play since the undersigned can play when the card is not connected to the system, and is derived from a system that does not verify the identity of the person using the player card, and may include estimated amounts to correct human error in inputting information.
